CONSUMPTIVES, remember that it is Thomson's Compound Syrup of Tar and Wood Naphtha, which is daily effecting such remarkable cures in pulmonary consumption, ashma, brouchitis, spitting blood, pain in the side and breast, sore threat, hoarseness, palpitation of the heart, whooping cough, croup, nervous tremors, hives, liver complaint, diseased kidneys, &c.

Therefore beware of all spurious mixtures of Tar or Naphtha, and purchase of the advertised agents only.

ANOTHER WONDERFUL CURE!

PRILADELPHIA, April 9, 1846.

Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent mattersin my lungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as loss of appetite, heatic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured of me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs.

They moreover possess lacilities, is relation to the Tea Trade, in a very abundant degree, and doubt-less, superior to any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined to sell Teas purer, more fragrant, and perfect for the prices, in the aggregate, than any house in the world—China excepted.
